

# Fast Stats

## Reputation Score / Sales Impact

- On average, an increase of 1 star = **5-9%** increase in revenue (Harvard Business Review, 2011).<sup>1</sup>
- A **1.5** star rating increase = **13K** more leads (Location3, 2017).<sup>2</sup>
- Hospitals with a high reputation score have a **29%** higher revenue per bed than those with a low reputation score (Reputation.com, 2019).
- Retailers who improved reputation score the most had **3x** higher sales growth, year-over-year (Reputation.com, 2019).
- Dealers who effectively manage their reputations can see up to a **10%** increase in average sales volume compared to those who are not (Reputation.com, 2019).
- Third-year ORM-enrolled locations are selling **2.4** more vehicles than the baseline, which equates to \$95,000/year (Reputation.com).
- Dealerships who gained 150 points in their reputation score saw vehicle sales grow by **6%**. Dealerships who lost 150 points in their reputation score saw vehicle sales decline by **13%**.
- Companies with the highest reputation scores experience an average of **15%** faster sales growth than companies with the lowest reputation scores (Reputation.com).

## Reviews

### Reviews impact business revenue.

- The average number of reviews for small businesses is **82**. Businesses with fewer than average earn **15%** less revenue; more than average earn **54%** more revenue. Businesses with **200** reviews or more earn nearly twice as much revenue (Womply, 2019).<sup>3</sup>
- Businesses with a rating between **3.5 and 4.5** stars earn more revenue than any other rating; **4 to 4.5** earn **28%** more in revenue (Womply, 2019).
- The average number of “fresh” reviews (posted in the last 90 days) for small businesses is **9**. Businesses with no fresh reviews earn **13%** less in revenue than average. Businesses with more than **9**

<sup>1</sup> <http://www.hbs.edu/research/pdf/12-016.pdf>

<sup>2</sup> <https://www.lsainsider.com/a-1-5-star-review-improvement-equals-13k-more-leads-in-study/archives#sthash.6PaTJie0.dpbs>

<sup>3</sup> <https://www.womply.com/impact-of-online-reviews-on-small-business-revenue/>

reviews earn **52%** more revenue than average. Businesses with more than **25** fresh reviews earn **108%** more than average (Womply, 2019).

### Reviews greatly influence consumer purchasing decisions.

- **91%** of consumers trust reviews as much as a personal recommendation (BrightLocal, 2018).<sup>4</sup>
- **95%** of customers will read reviews before making a selection (Spiegel, 2017).<sup>5</sup>
  - Quality - Consumers read an average of **10** online reviews before feeling able to **trust** a local business (BrightLocal, 2018).
  - Volume - Consumers require an average of **40 reviews** before believing a business's star rating is accurate--up from 34 in 2017 (BrightLocal, 2018).
  - Recency - **85%** of consumers believe reviews older than **3 months** aren't relevant (BrightLocal, 2018).
- **57%** of consumers will only use a business if it has **4 or more stars** (BrightLocal, 2018).
  - *A great way to phrase this per industry: "In other words, nobody wants to live in a 3-star apartment | go to a 3-star restaurant | see a 3-star doctor."*
- **50%** of consumers visit local businesses' websites after reading positive review (BrightLocal, 2018).
- The purchase likelihood for a product with five reviews is **270%** (4x) greater than the purchase likelihood of a product with no reviews (Spiegel, 2017).

### Reviews greatly influence consumer healthcare decisions.

- **88%** of consumers go online to find healthcare providers (Reputation.com, 2019).
- **68%** of consumers choose a doctor based on reviews (Reputation.com, 2017).<sup>6</sup>
- **2/3** of consumers will wait longer for an appointment with a doctor who has better reviews (Reputation.com, 2017).
- **80%** of consumers want to read **6** or more reviews before selecting a provider (Reputation.com, 2017).
- **77%** of consumers want to see provider reviews within the last **12** months (Reputation.com, 2017).

### Responding to reviews acquires and retains more customers.

- Businesses that reply to more than **20%** of their reviews earn **33%** more revenue (Womply, 2019).
- **53%** of consumers expect a response within **7 days** of leaving a review (ReviewTrackers, 2018).<sup>7</sup>

<sup>4</sup> <https://www.brightlocal.com/learn/local-consumer-review-survey/>

<sup>5</sup> <http://spiegel.medill.northwestern.edu/online-reviews/>

<sup>6</sup> <https://www.reputation.com/resources/white-paper/healthcare-consumer-survey-the-impact-of-online-reviews-on-selecting-providers/>

<sup>7</sup> <https://www.reviewtrackers.com/online-reviews-survey/>

- **89%** of consumers read businesses' responses to reviews. (BrightLocal, 2018)
- **45%** of consumers say that they're more likely to visit a business if it responds to negative reviews (ReviewTrackers, 2018).
- Shoppers who read a negative review and see the brand response are **116%** more likely to purchase than those who see no response from the business (Bazaarvoice, 2015)<sup>8</sup>.
- **74%** percent of customers are either likely or extremely likely to continue doing business with a brand that resolves their complaints (Gatherup, 2017).<sup>9</sup>

### Reviews impact search/visibility.

- Google searches account for **63%** of all web searches; an estimated **46%\*** of those searches are local. Combined with all of its other products, Google holds **90%** of the total market share of web, mobile, and in-app searches (Jumpshot, 2018).<sup>10</sup>

**Note:** \*This 46% stat is thrown around the Internet, but hasn't been officially verified (?):  
<https://www.brightlocal.com/about-local-seo/>.

- Reviews are among the top 5 ranking factors in Google's local search algorithm, estimated to account for **15%** of algorithm (Moz, 2018).<sup>11</sup>
- Results in the Google 3 pack receive nearly **50%** of the clicks and generate **2x** profile views and actions (Advanced Web Ranking, 2017 | Reputation.com).<sup>12</sup>
- Businesses with more reviews outrank their competitors **twice** as often (Reputation.com).
- Businesses with higher average ratings outrank competitors **70%** more often (Reputation.com).
- Google and Facebook are the fastest-growing review sites (BrightLocal, 2018)<sup>13</sup>.
- 89% of consumers read reviews on their smartphones (Statista, 2018).<sup>14</sup>

<sup>14</sup> <https://www.statista.com/statistics/445205/us-local-business-mobile-service/>

### Asking for reviews is the best way to increase review volume.

- If left to organic review generation, fewer than **25%** of consumers say they are likely to leave a review (GatherUp, 2017).<sup>15</sup> The percentage of people who *actually* do is estimated to be much lower.
- On the other hand, **68%** of consumers have left a review for a local business after being *asked* to do so (BrightLocal, 2017).<sup>16</sup>
- Locations that request reviews can see review volume grow **2-10x faster** and sentiment rise by **10-20%** (Reputation.com).

## Actions & Survey

### Actively managing customer feedback retains more customers.

- **32%** of all customers would stop doing business with a brand they loved after one bad experience (PWC, 2018).<sup>17</sup>
- **31%** of consumers rated being able to contact the company through any channel as the top driver of feeling emotionally connected to a brand (New Voice Media, 2017).<sup>18</sup>
- **89%** of companies compete primarily on the basis of customer experience (Gartner, 2014).<sup>19</sup>
- Loyal customers spend **67%** more than new ones (CMO, 2017).<sup>20</sup>
- On average, companies that don't close the loop will experience **2.1%** increase in churn per year (CustomerGauge, 2018).<sup>21</sup>
- Companies that close the loop within **48 hours** experience the highest increase in retention (CustomerGauge, 2018).

### Surveys streamed to your websites impact search/visibility.

- Adding survey widgets to local pages increases your chances of showing up on Google's first page by **50%** and increases page ranking by **1.7 spots** (Reputation.com).

## Business Listings

### Accurate business listings acquire more customers,

- **95%** of searches for local businesses are done on 1 of 5 sites (Reputation.com).
- Google My Business (GMB) listings are among the top 5 ranking factors in Google's local search algorithm, estimated to account for **25%** of algorithm (Moz, 2018).
- Businesses with a complete and accurate GMB Listing are **2.7x** more likely to be considered reputable and get **7x** more clicks (Unknown Source\*).

**Note:** \*These stats are widely used across Internet, but source and date are not verified.

- **5%** of Google My Business listing views result in a website click, call, or direction request (BrightLocal, 2019).<sup>22</sup>
- **49%** of all Google searches are no-click (Search Engine Land, 2019).<sup>23</sup>
- Between Q4 2017 and Q4 2018, direct searches grew by **38%**, while website clicks from GMB listings grew **29%** (BrightLocal, 2019).
- **93%** of searchers never go past the first page, instead using only the first 10 search results to form their impression (Advanced Web Ranking, 2014).<sup>24</sup>
- **500%** growth in "near me" mobile searches with intent to buy (Think With Google, 2018).<sup>25</sup>

### Accurate business listings cannot be maintained manually.

- On average, if unmaintained, you can expect to see over **1.5** listings data points/per entity degrade each month (Reputation.com).
- For every business entity you have, on average **253** listings data points are on the web (Reputation.com).
- On average, it takes **10** minutes per data point to maintain listings manually (Reputation.com).

## Social

### Responding to social inquiries/posts retains more customers.

- Customers who receive a response on social media are **30%** more likely to recommend the brand to others (Twitter, 2016).<sup>26</sup>
- Failing to respond on social media can trigger a **43%** decrease in customer advocacy; a reply, however, can give you a **20%** bump. (Lloyd Media Solutions, 2018)<sup>27</sup>
- **67%** of consumers have used a company's social media channel for service (J.D. Power, 2013)<sup>28</sup>.
- **42%** of consumers on social media expect a response with **60** minutes (Baer, 2016)<sup>29</sup>.
- **78%** of people who complain to a brand via Twitter expect a response within an hour. (Lithium, 2013)<sup>30</sup>

### Social media influences consumer purchasing decisions (all).

- In North America, social media's population penetration rate has reached **70%** (Statistica, 2019).<sup>31</sup>
- **54%** of consumers use social media to research products (GlobalWebIndex, 2018).<sup>32</sup>
- **75%** of people have purchased something because they saw it on social media (SS, 2016).<sup>33</sup>
- **57%** of people are more likely to buy from a brand that they follow on social media (SS, 2016).
- **1 in 3** people on Facebook use the platform to look for recommendations (Facebook, 2018).<sup>34</sup>
- **2 in 3** people on Facebook visit the page of a local business or event once a week (Facebook, 2018).
- The average Twitter user has **700** followers. *One like or retweet can put you in front of hundreds of new people.* (KickFactory, 2016)<sup>35</sup>

<sup>35</sup> <https://kickfactory.com/blog/average-twitter-followers-updated-2016/>

- People aged **55-64** are more than twice as likely to engage with branded content than those **28** or younger. (Social Media Today, 2014)<sup>36</sup>

### Social media influences **auto** consumer purchasing decisions.

- A dealer's social media channels are nearly **half** as important to consumers during the interest phase as visiting the dealership itself (Capgemini Consulting, 2017).<sup>37</sup>
- **62%** of consumers say their automotive purchase decisions are likely to be influenced by positive comments on social media about a car, dealer, or manufacturer (Capgemini Consulting, 2017).
- Among an OEM's customers, **10%** are counted as brand ambassadors (Capgemini Consulting, 2017).

### Brands that focus on relevant social media content engage more customers.

- While **86%** of social media users follow a brand, nearly **60%** of them are annoyed with too many promotions by brands (SS, 2016). *We suggest alternating between original insights, promotions, interesting news or blogs, reposts, pictures, and videos that drive local awareness.*
- Locations actively engaged on Facebook have **44%** more reviews across all sites, ratings over **10%** higher across all sites, and Reputation Scores over **100** points higher (Reputation.com).
- Photos with filters are **21%** more likely to be looked at and elicit **45%** more comments (AAAI, 2015).<sup>38</sup>

### Social listening is critical to understanding your audience.

- **96%** of the people that discuss brands online do not follow those brands' profiles. (Brandwatch, 2015)<sup>39</sup>

### Facebook is the social giant.

- **74%** of Facebook users check it every day. (Pew Research Center, 2019)<sup>40</sup>
- The average time a user spends on Facebook is **35** minutes per day. (Mediakix, 2016)<sup>41</sup>
- Facebook accounts for **53%** of social logins made by consumers to sign into the apps and websites of publishers and brands. (Statista, 2016).<sup>42</sup>
